Vision Offering 2023 Commitment Card

We will be bringing our commitments to church on Commitment Sunday – Sunday, 6 November 2022 – after seeking the Lord about what our part will be in this year’s Vision Offering. The purpose of the Commitment Card is so we are able have an indication of approximately what total we can expect, so we can plan for our future.

As each of us make an equal sacrifice, our vision will become our reality. There are two different options to fulfil your commitment to the Vision Offering:

Make a once-off contribution.

You may consider fulfilling your commitment through a once-off contribution to the Vision Offering.

Decide on a weekly, fortnightly or monthly commitment.

Commit to a weekly, fortnightly or monthly contribution. This will allow you to fulfill your commitment over the course of a 12-month period. Please refer to the ‘Giving Table’ below to assist you in determining how much your weekly, fortnightly or monthly sacrifice will translate over a 12-month period.
