

DOMINION

VISION CAMPAIGN
2027

THEN GOD BLESSED THEM,
AND GOD SAID TO THEM, “BE
FRUITFUL AND MULTIPLY; FILL
THE EARTH AND SUBDUE IT;
HAVE DOMINION OVER THE
FISH OF THE SEA, OVER THE
BIRDS OF THE AIR, AND OVER
EVERY LIVING THING THAT
MOVES ON THE EARTH.”

GENESIS 1:28

Hey there Enjoyers,

In a world that's groaning and has lost sight of God, never before has it needed the church to shine as brightly as it needs us to in this generation.

While many are confused and feeling hopeless about the realities that surround them, the Spirit of God is shining fresh revelation into the hearts of His church to give us a glorious hope and vision to press towards.

Church, these are not days to be shrinking back from God or our walk of faith, but rather these are days to be leaning in and grasping hold of all that Christ has for us. These are days for the church to be growing in our understanding of who we are in Christ and laying hold of that life to which He has called us.

Be encouraged my friends, in and through Christ Jesus we're called to live way greater lives than many of us currently are. While many are living saved, a life of faith shouldn't just lead to our salvation, but also to us living a life of **DOMINION!**

Dominion isn't just a word. As much as anything it's a statement. It's a word that states God's intentional life for all who are citizens of His great and glorious Kingdom.

Genesis 1:28 (NKJV) - *Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."*

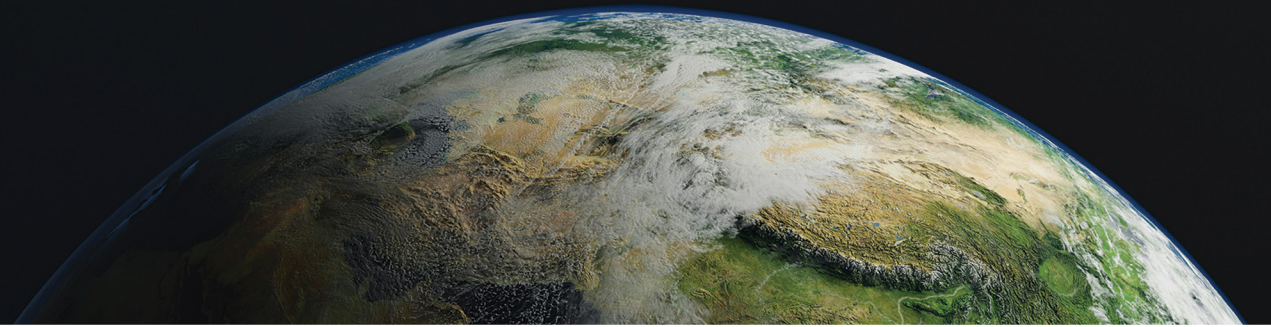

While we were never given Dominion over each other, we've certainly been granted authority by Christ to live a life of fruitfulness and Dominion that leads to the glory of God.

Prepare your hearts Enjoyers, for we are about to enter into another realm!

Much love, Shane & Georgie

AND JESUS CAME AND SPOKE TO THEM, SAYING, “ALL AUTHORITY HAS BEEN GIVEN TO ME IN HEAVEN AND ON EARTH. GO THEREFORE AND MAKE DISCIPLES OF ALL THE NATIONS, BAPTISING THEM IN THE NAME OF THE FATHER AND OF THE SON AND OF THE HOLY SPIRIT.”
MATTHEW 28:18-19

INTERNATIONAL LOCATIONS UPDATE

ORANGE COUNTY – USA

Taking Dominion in Orange County

During this year of REACH, Enjoy Church Orange County has experienced tangible and undeniable progress. We have seen Southern California embrace Enjoy Culture as we have pressed deeper into the vision, mission, and values of Enjoy.

Over the past 12 months, our location has doubled in size. As we opened a second service, attendance continued to increase. Kidmania has tripled in attendance, and within the last 60 days alone, 168 first-time guests have walked through our doors on a Sunday. These are not simply numbers, they represent lives, families, and people encountering the presence of God.

We also celebrated our first Open Heaven Conference with more than 500 people attending throughout the weekend. We truly stepped into a new season and were equipped to take ground across Southern California.

One of the most significant testimonies came on the very morning of conference. After one year of intense challenges and negotiations, the owner of our building had a change of heart and agreed to sell us the property in the center of Orange County, in the City of Irvine.

As we step into the year of DOMINION, owning this building would give Enjoy Church a strong foothold in Orange County and establish deep roots in our region. The significance of owning property in the City of Irvine would be nothing short of a miracle and a clear testimony of God’s faithfulness to His promises.

We are deeply grateful to our Senior Pastors, Shane and Georgie Baxter, and to every location team that has resourced, guided, and pointed us toward the Enjoy way. We have seen fruitfulness, and we believe this territory is ours to claim for the name of Jesus.

We are believing to fulfill the command to take dominion over the earth, beginning here in Orange County, in the United States of America.

Believe with us!

Psalms 115:16 - *“Heaven belongs to the Lord alone, but he gave the earth to us.”*

MILAN – ITALY

What an exciting year it has been for Enjoy Church Milan! So much has happened in the life of our church, and we are truly grateful to God for His faithfulness. We’ve seen people saved, lives changed, prayers answered, people healed, people baptised in the Holy Spirit, and God continually opening doors for us at every juncture.

One of the greatest highlights has been seeing the relationships we’ve formed over the past one and a half years become stronger and deeper. This year we celebrated Christmas and Easter services, as well as Mother’s Day and our first Father’s Day service. Special moments where many people experienced God’s love as they were celebrated and honoured in ways they had never experienced before. It’s also been so exciting to watch God embrace some prodigals who returned home.

It’s been exciting to see our youth growing spiritually as we ran our first Alpha Course. We’re seeing them become more active in the life of the church. Our worship team is growing too, with a new singer and musician joining us. We’ve also begun translating Enjoy Creative songs into Italian, and it has been such a blessing to see our church worshipping with them. We are so excited about what is still to come.

On a community level, we’ve also been able to make a practical difference through our monthly food bank program, currently assisting around 90 families every month and demonstrating the love of Jesus in practical ways.

And there is still more ahead! We’re looking forward to our first water baptism service soon, beginning another Friendship Group, launching our first Next Steps discipleship pathway, and continuing to build healthy marriages through the Marriage Course that has followed our first Marriage Seminar. We are also believing for God to send us more youth and young families who will call Enjoy Milan home.

As we step into the year of Dominion, we do so with so much faith and expectation. For us, Dominion means reaching people and seeing them walk in victory and fruitfulness, bringing glory to God. It means seeing lives continually transformed and strengthened, disciples made, leaders raised, and Enjoy Milan taking ground, advancing God’s Kingdom, and becoming a home for many more people across our city. With God’s leading and strength, we step into this year believing together that we will see this vision become a reality.

Thank you for your prayers! Forza Avanti, Famiglia Enjoy!

PHNOM PENH – CAMBODIA

Chum Reap Suor everyone! We bring you warm greetings from Enjoy Church Cambodia.

What an incredible year of Reach it has been as we have reached with greater emphasis for the vision, mission, values and key culture statements of Enjoy.

With a commitment to love each-other and a commitment to unite around these important foundations, we have begun to see God moving in such powerful ways, increasing our influence and connecting us to more people in our city.

We are seeing new guests every week, new decisions for Jesus and people baptised in the Holy Spirit. We are so thankful to God for all He has done in the year of Reach but even more expectant in the coming year of Dominion.

Historically in our nation dominion has meant worldly power and control, but dominion as God defines it is not about an attempt to control but to represent God in a way that examples His heart for the people of our nation.

Biblical dominion is about boldly taking what God has entrusted to us in Cambodia and stewarding it with faith, courage, love and wisdom. For Davy & I, dominion means asking God; 'how can His Kingdom, influence the nation of Cambodia through our lives?' Not for our name, not for our glory, but for His glory and for His Kingdom.

Our desire is to see Enjoy Church Cambodia increasingly become stronger, healthier, more united, filled to overflowing with people who know Jesus, people who know their identity, people with a heart to serve and people empowered to lead in all aspects of life.

We are believing that we would not just be a people who gather on Sundays but a people who carry the presence of Jesus and the message of Jesus to our nation and then beyond it. This is dominion, not a dominion taken by force, but one realised by bringing the light, hope, truth and the love of Christ.

As we look forward to next year, we are so excited and expectant for more. More people to come to Jesus, more people to be water baptised, more outpouring of the Holy Spirit, more young people discovering their purpose, more families being strengthened, more leaders being raised up, more influence in universities, workplaces, communities, and more for Phnom Penh.

We are believing for so much more of God's Kingdom being established as we step into the year of Dominion. This is our time and this is our assignment, and together we will take new ground for the Kingdom of God.

OSAKA – JAPAN

This past year, God stretched us further than we imagined. Osaka is a pioneering ground, Japan is one of the least-reached nations on earth, where Christians are barely one percent, and the gospel meets a language, a worldview, and value systems it's often brand new too. Yet in the middle of that, God moved.

We've seen 40 salvations and 18 baptisms this year, with testimonies of healing reaching us almost every week and attendance growing by 20%. We watched an entire Japanese family, four generations, come to Jesus together. And our reach stretched far beyond our own city: five people travelled from other regions of Japan, some from as far as the opposite ends of the country, just to be baptised in water and they keep joining us online week after week. Last year we hosted a conference that drew 25 churches, and a camp that nine churches joined. God is knitting His church together across this nation.

Heading into the year of Dominion, we understand this: reaching people outside our church walls is how we take the authority of Jesus and establish His rule over this place. Preaching the gospel isn't only speaking to people; it's declaring Christ's Lordship over the spiritual atmosphere of a city, taking dominion over ground that has long been held by other things. Every person saved, every home changed, is territory gained for the Kingdom.

We're believing for our own building and for us, that is dominion made tangible. In Japan, a church owning its own space is rare and hard-won, which is exactly why claiming it matters. A home of our own means we can run an English café, build genuine community, run programs, and equip both our people and local churches to keep advancing. It's not just a facility; it's a foothold ground taken and held for God's Kingdom in Osaka.

This is our heart heading into Dominion: to keep taking ground, and to give it all back to Him.

SOLOMON & KATHERINE SAVELIO

ENJOY CHURCH MELBOURNE NORTH

We are Solomon and Katherine Savelio, and we attend the Enjoy Church Melbourne North location.

We have been a part of this incredible church for 2 years and 9 months. Before we started coming to Enjoy church, we were living for the world. We were both heavy smokers and drug abusers, and Solomon was affiliated with gangs and was a patch member for the brotherhood. We were struggling financially, living paycheck to paycheck with one working hand juggling two jobs to make ends meet.

One evening we were in the garage having a smoke and while also under the influence of drugs, I decided to go inside and grab some water. All of a sudden, I had a panic attack. I had never experienced it before, and I was scared. I couldn't breathe so I called out to Solomon and the first thing I said to him was "CAN YOU PLEASE PRAY FOR ME?".

After that night I was full of fear, anxiety and depression. I struggled to sleep and I was worried about being alone and so we decided to search for a church. We came across Enjoy Church Epping and on the first Sunday in 2024 we attended our first service, and I gave my life to Jesus.

God is so faithful and loving. He transformed our lives, we got baptised on Easter Sunday in 2024 and then got married on the 30th of April 2024 and ever since He has brought so much peace, joy, love, forgiveness and provided for us financially.

Currently, I serve on the greetings, café and parents room team, and through serving, God has shown me how to love selflessly and reflect the heart of Jesus. Solomon now serves on the DOCs team where God has shown him to love and care for others and to surround himself with his Enjoy family. And soon we will be serving together as Empire leaders.

We are believing for an anointing of leadership on our lives and for God to bless us with kids, all in His timing.

JODY STEWART

ENJOY CHURCH HOBART

For most of my life, I would have described myself as spiritual, but I never considered myself religious. I wasn't brought up in a religious or spiritual household, so church, Christianity and Jesus were relatively new concepts to me. I was always searching for something that would give life meaning and help me understand beyond what I could see.

Suddenly, on my youngest son's birthday, 17 August 2025, I woke up with an overwhelming feeling that I needed to go to church. I had never been a churchgoer, so even I was questioning what I was doing! I remember thinking, "You're not religious. You don't know anyone there. What are you doing?" But something inside me told me to go.

I found Enjoy Church Hobart online and walked into my first ever service feeling nervous and completely unsure of what to expect. Coming from no religious background, stepping into a church was a completely new experience for me. Yet what happened that day is difficult to put into words. I felt an incredible sense of love and warmth, and I found myself crying, not from sadness, but from something deep within me that I couldn't explain. I felt an overwhelming sense that I had found my home.

Before I found Jesus, I explored different spiritual practices and at the time these were ways I was trying to understand my spiritual side. I realise now, through learning God's Word, that some of the practices I was involved in were not aligned with God's teachings. I have renounced all forms of divination, and I have chosen to put all my trust in God and seek and worship him only.

Since discovering Jesus in my mid 50's, my life has been changing in ways I never expected.

My faith has given me peace, purpose, and a sense of belonging. I have always had a very close relationship with my three boys and my family; however, I think God has strengthened that further. I've been able to let go of unhealthy patterns and behaviors and make different choices. I'm learning to trust God, surrender the things I cannot control and see myself and others through His eyes. I'm discovering that following Jesus isn't about becoming perfect, it's about allowing God to continually transform my heart and my life.

Getting baptised on 30 November 2025 at Enjoy Church Hobart was a beautiful and deeply meaningful step for me. It represented leaving my old life behind, washing away my past and beginning a new life in Jesus. I know I'm still at the beginning of my journey, but I feel like I am becoming a new woman - one who is learning to live with faith, hope and love.

I'm incredibly grateful that God found me when I was searching, even before I knew exactly what I was searching for. Finding Jesus has changed the direction of my life and I'm excited to see where He leads me next.

TAKING DOMINION

IN EVERY SPACE, PLACE & SPHERE
THAT THE LORD LEADS US INTO!

ESOD AND ESOL

The Enjoy School of Discipleship (ESOD) is a nine-week course that helps participants explore why we believe what we believe. Adapted from an Alpha Crucis course unit and delivered by key leaders across Enjoy Church, it covers the nature of God, the historical development of the Bible, the work of the Holy Spirit, eschatology and more.

Held for the first time since 2019, this year’s online course attracted more than 500 registrations. The strong response reflected a desire across the church to grow in discipleship and play a part in the Great Commission. Participant feedback was overwhelmingly positive, and the content prompted many thoughtful questions and discussions.

We are already seeing the course bear fruit as people bring fresh understanding and perspective to their teams and friendship groups. It has been a joy to see participants inspired and equipped to reach their friends, colleagues and families.

Together with Enjoy School of Leadership (ESOL), these courses create a pipeline to help our people step into a place of Kingdom authority. God created us for dominion, and for that to be effective in the marketplace, our ministry and our families, we need solid foundational principles and teaching in both discipleship and leadership. This will transform our approach to our workplace, church and the people around us and bring life and fruitfulness on an unprecedented scale.

If you are ready to take your next step, grow as a disciple and become more effective at discipling others, look out for when ESOL and ESOD is running at your location next.

ETHAN MICHAEL
ENJOY CHURCH MELBOURNE WEST

My name is Ethan Michael, and I am 24 years old. I am a final-year medical student, and I also work casually in retail on the side. I have been coming to Enjoy Church for a little over four years now. I first started attending Enjoy Church through my friend Jesse, I still believed in God, but I had not been in church for a couple of months, so he told me, “If you are not going anywhere, you have to come with me”.

I came for a few months, but I knew Enjoy Church was home once I attended a men’s friendship group. It was the first time in my life that I had experienced such raw, honest fellowship and conversation about God. I knew straight away, after the first night I attended, that these were the people I wanted to do life with.

The main reason why I decided to do Enjoy School of Leadership, was that I wanted to grow my leadership skills. I wanted to be an example. I want to serve the young adults in a more impactful way, and to learn how to balance leading within the Church whilst also being a leader and influence in other spheres of my life.

Through the Q&A at the end of the sessions and talking with Ps Cristian, I was able to gain perspective on my personality and how it affects my leadership. Ps Cristian gave me a great perspective on not viewing being detail-oriented as a weakness, because that is the way God created me. He instead helped me to appreciate it at face value, identifying areas where it can be beneficial whilst also being wary of potential pitfalls. This really encouraged me and shifted my mindset.

ESOL helped me to really see the benefit of pursuing proximity with authority, which offers greater accountability. As a result, in my life I am trying to seek out as many opportunities to submit under my leaders and spend time learning from them. ESOL has provided me with a great foundation of leadership and a framework for the areas to continually work on throughout life to ultimately become more like Christ and therefore a better leader.

RESTORING LIVES. TRANSFORMING COMMUNITIES

The Kingdom of God is neither retreating, shrinking, or uncertain...it is advancing. Isaiah 9:7 declares, *"Of the increase of his government and of peace there shall be no end."*

As believers, we are entrusted with an expansive commission to reach, to "go and make disciples of all nations."

This commission challenges us to look beyond ourselves.

By reaching for the marginalised, we create opportunities for those who are often overlooked, we feed someone who is hungry, we create spaces where others can flourish, and we build communities where people are empowered to belong, contribute, and thrive.

Your generosity towards our ongoing campaigns such as 1Day, True Religion and Collective61 has provided much needed support and advocacy for those who are vulnerable in the nations of Cambodia & Myanmar.

Over this coming year, we will continue to create spaces and initiatives, we envisage more Enjoy locations starting Community playgroups, Mainly Music classes and a variety of other initiatives that will empower and equip individuals and families.

Our DOMINION will be determined, by how far, our REACH is willing to go! So, the question is simple: Who might experience the Kingdom and Dominion of God simply because you chose to reach further than ever before?

BUILDING AND FACILITIES

“This vision is for a future time. It describes the end, and it will be fulfilled. If it seems slow in coming, wait patiently, for it will surely take place. It will not be delayed.” — Habakkuk 2:3

As we step into our 2027 Vision Campaign, DOMINION, biblical dominion is not simply about possessing more, it is about faithfully stewarding what God has placed in our hands and taking responsibility for what He has entrusted to us. Across Enjoy Church, we continue to see our locations growing, lives being transformed, and new opportunities opening before us.

This year, we are highlighting four significant location projects where positive steps have already been taken towards seeing long-held vision become reality. At times, the journey can feel like a grind. Progress can seem slower than we hoped, and the fulfilment of vision can require perseverance. What He has spoken is worth praying for, preparing for, giving towards, and patiently pursuing. We have forward momentum on each of our projects and we will continue to faithfully steward what is in our hands today while continuing to believe for what He has placed in our hearts for tomorrow.

BENDIGO

At the end of 2022, Enjoy Church Bendigo stepped into an incredible new chapter as we moved into our home at 29 Valentine Street, the Former Fuse Factory, a remarkable heritage building in the heart of Bendigo.

Built in the 1870s and listed on the Victorian Heritage Register, this building has a rich history. But we believe its greatest days are not behind it, they are ahead of it.

Over the past few years, we have seen significant growth as a church, and we are making room for what God is doing. On Vision Sunday 2026, we will take another exciting step as we move to two services, creating more space for people to encounter Jesus, find community and grow in their faith.

But there is a significant need we need to address to prepare our building for the future: our roof.

As a heritage-listed building, caring for and restoring the property comes with unique challenges and significant costs. Our roof is in desperate need of replacement. When it rains, we experience major water leaks throughout the building, including our Café, Kidmania spaces, offices and even the middle of our auditorium. These ongoing leaks are putting the building itself at risk of further damage.

We are working with our heritage consultant and Heritage Victoria to navigate the required approvals and replace the roof in a way that protects this remarkable building and its heritage for years to come.

GIPPSLAND

GOD IS MOVING, AND HE IS FAITHFUL

2026 has been a year like no other for Enjoy Church Gippsland. We have walked through a major vandalism attack and three building fires, challenges that could easily have left us discouraged, distracted or wondering what the future might hold.

Instead, what the enemy may have meant for evil, we are seeing God turn around for His good. Through every challenge, He has continued to demonstrate His goodness, His provision and His faithfulness to the Latrobe Valley and beyond.

We may have lost our Kidmania building, leaving our church building, offices and temporary Kidmania rooms now all bursting at the seams, but something incredible is happening within these walls. Our location is full of faith, full of joy and thriving in ways we haven't seen before.

Despite the rollercoaster ride of 2026, we are seeing healthy growth across every age demographic. Friendship Groups are growing. Empire Youth is steadily expanding. More people are finding community and choosing to make Enjoy Church Gippsland their home.

And our mission to reach our community hasn't slowed down.

Every week, our ReStore Pantry continues to serve more than 100 households, providing hot food, groceries and something just as important, a place where people feel welcomed, valued and that they belong.

Here in Gippsland, we are seeing a greater buy-in and lean-in than ever before. People are finding their place, discovering God's purposes for their lives and believing that God has more for them and more for our region.

So, as 2026 comes to a close, we could focus on what we've lost.

But we choose to focus on what God is building.

We are believing for a larger building where we can love God and love the people of Gippsland in an even greater capacity. A place where our church family and local community can experience life, hope, belonging and the transforming love of Jesus.

God is moving in Gippsland. God is building His Church. And through it all, He has proven again and again, He is faithful.

BALLARAT

For more than a decade, Enjoy Church Ballarat has faced significant facility challenges. We outgrew the small Wendouree venue that had been our home since 2012, with cramped foyers and children's spaces, queues for the toilets, and increasingly tight seating each Sunday.

To create more space, we leased offsite storage, hired a portable toilet, and erected a large marquee at the entrance to extend the foyer. We also trialled three services for 12 months, but demand remained high at the two earlier services.

The move to the iconic Palace Regent Cinemas in the city centre in May 2025 eased the pressure on space by providing a 600-seat auditorium. However, meeting in this heritage venue has created challenges with parking, accessibility, fellowship time and Kidmania. Permit issues also forced us to leave our Wendouree venue, so we currently hire community halls and other spaces for midweek meetings and have no central office for operations and pastoral care.

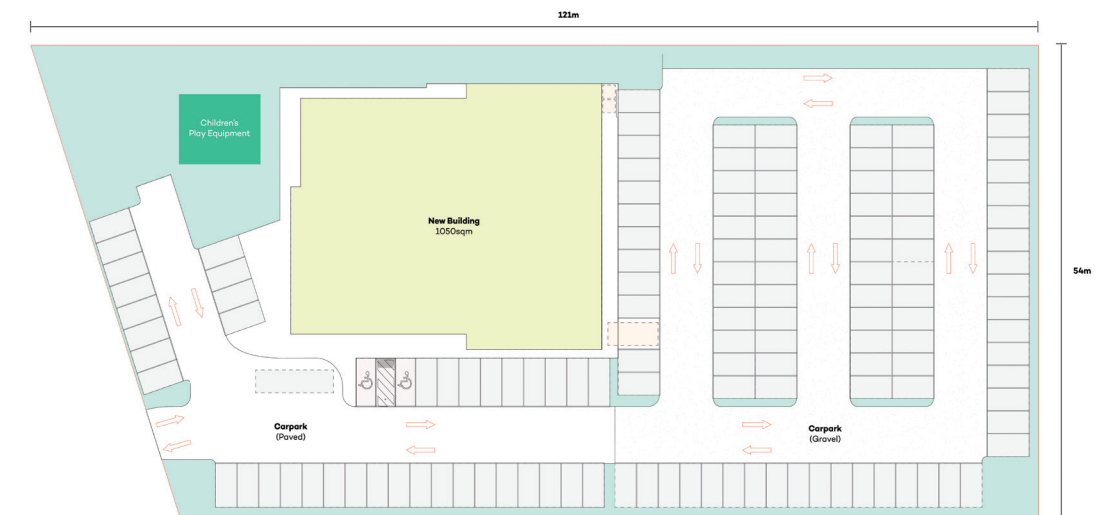

Our team and church community have responded heroically in every season. They remain committed to the weekly bump-in and bump-out routine while staying agile and ready to adapt throughout this dynamic period of change.

Now, hope is on the horizon. Patience is having its perfect work!

An opportunity has emerged to build a purpose-designed facility on land at the doorstep to a planned new precinct and positioned on a major highway at the gateway to the city. Several hurdles remain, including securing planning approval from the local council.

We are believing for a permanent spiritual footprint in Ballarat. A place to call home. A blessing to the community. A place for resounding worship that brings healing to the broken and hope to the lost. A base from which to reach the city, surrounding areas, and greater western Victoria for God's glory and purposes.

Please join us in prayer as we believe for a breakthrough and a beautiful new home.

MELBOURNE WEST

As a church, we have the best of problems, with one of those being how we accommodate the increasing number of young families attending our Melbourne West services. What began several years ago as a vision to provide a dedicated parents' room within the auditorium has continued to grow and develop alongside the needs of our church family.

Today, that vision has expanded significantly. Rather than simply creating one room, we are now looking to utilise a substantial footprint within our foyer and surrounding spaces to create a purpose-built Family Hub a welcoming environment designed to better serve our growing community of families with babies and toddlers, while also creating opportunities for connection and belonging.

The proposed Family Hub will incorporate the existing Jitterbugs and First Aid areas and feature:

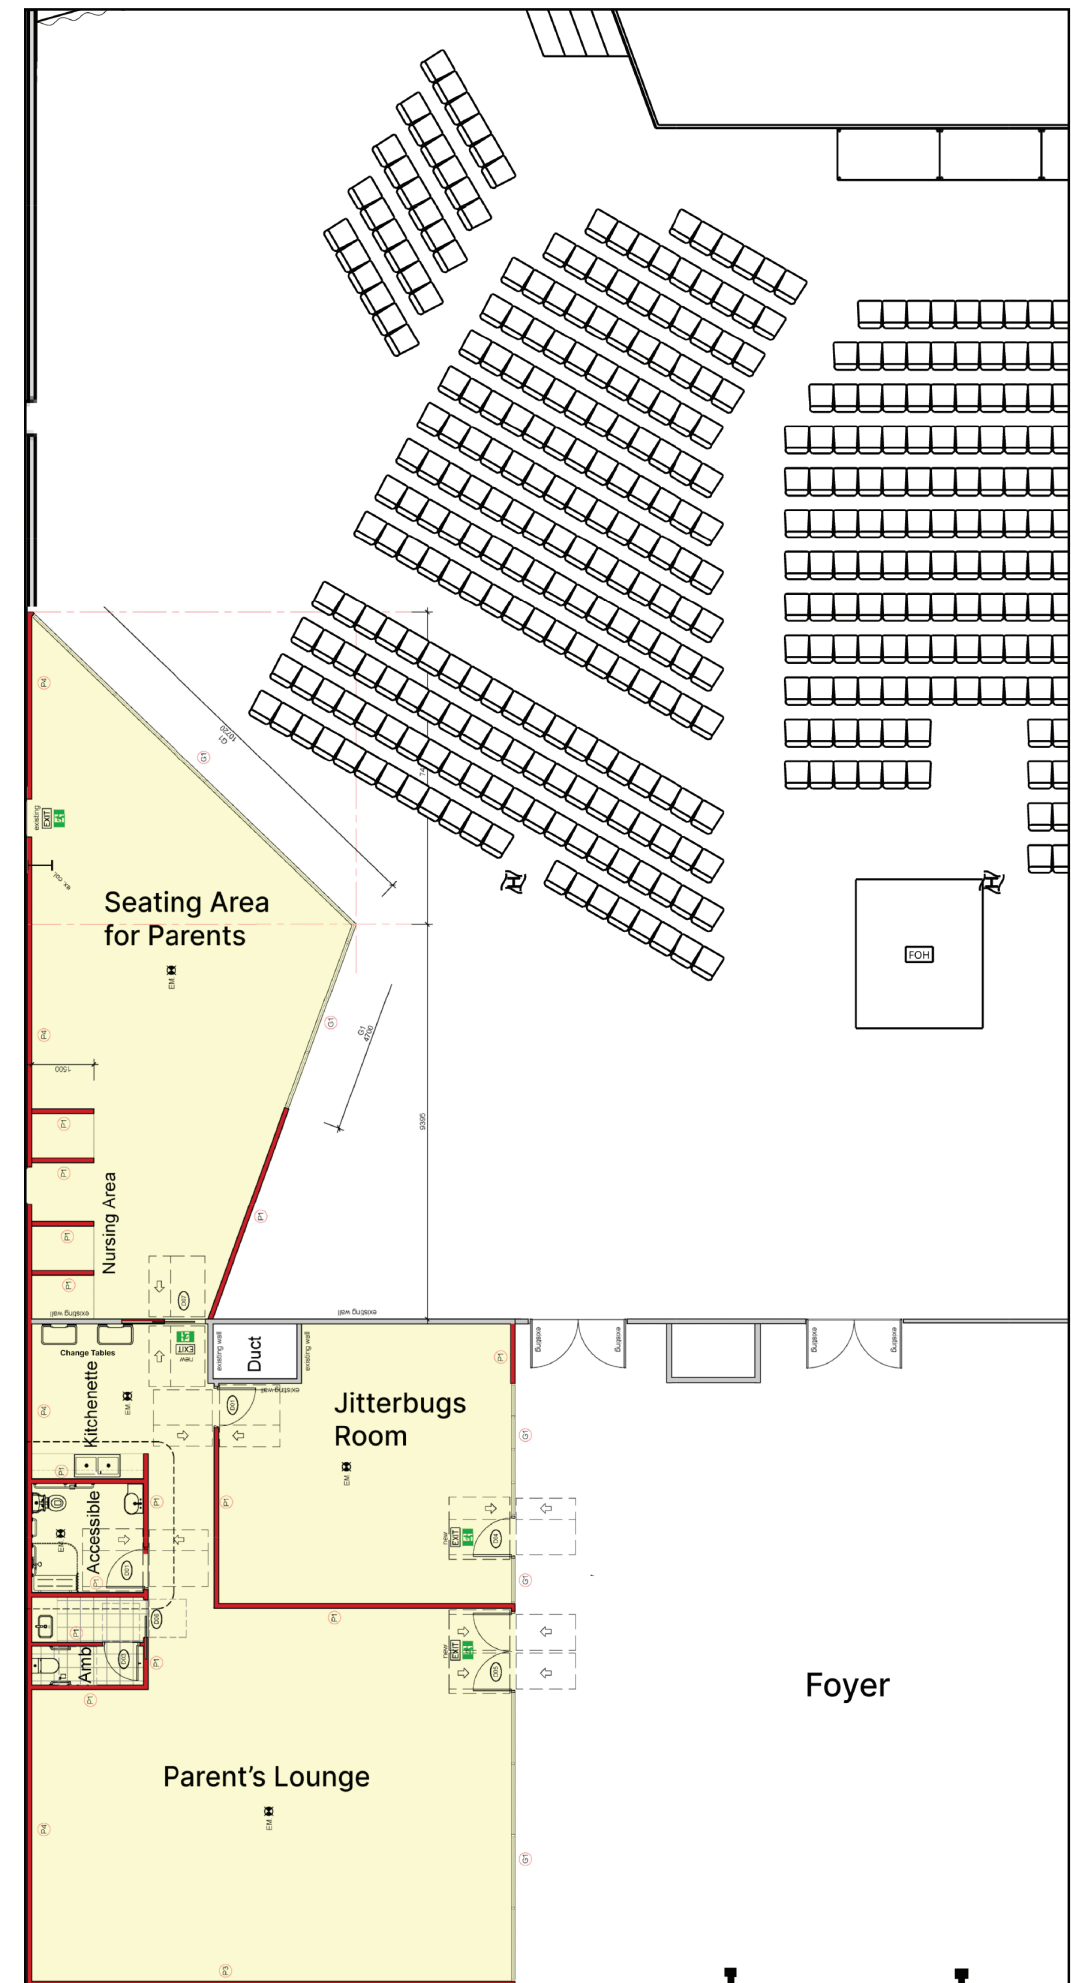

- An enclosed seating area within the auditorium, dedicated to parents and carers who need to feed or settle their babies while still being able to see, hear and remain connected to the service.
- A dedicated parents and toddlers room with live streaming of the service.
- A purpose-built Jitterbugs room.
- A kitchenette to better support families.
- A dedicated nappy-changing area.
- Accessible toilet amenities.

More than simply providing additional rooms, our heart is to create an environment where young families feel welcomed, supported and connected during this important season of life. As God continues to bring more families through our doors, we want to steward our facilities well and ensure we are creating room for the generations to come.

As the scope of the Family Hub has grown, these requirements also involve a number of necessary changes across the property. New changes to building regulations have also introduced additional requirements to the project. However, we are currently working alongside a number of consultants to navigate key building regulations, accessibility and safety requirements. While there is still work ahead, we are excited to continue moving this project forward and believe it will be a significant investment into the future of our Melbourne West church family.

CONCEPT PLAN

FAQS

When do commitments to the Vision Offering begin?

You may begin to fulfill your commitment from Sunday, 8 November 2026.

How do I contribute to the Vision Offering?

Here are two ways you can contribute to this year's Vision Offering.

Online: Complete an online Commitment Card at enjoy.church/vision in the lead up to and on Commitment Sunday. You have the option to contribute by credit card, whether it be a once-off or recurring amount, or if you wish to give through bank transfer, these are the details of the bank account specially created for our Vision Offering:

Account Name: Vision Offering

BSB: 083-437

Account Number: 86-258-1531

In-person: During a Sunday service, you can indicate 'Vision Offering' on the giving envelopes provided and place this into any offering container or at The Hub.

What will the Vision Offering be used for?

Contributions made at each location will be collected and deposited into a central account. The Vision Offering is then distributed towards five main areas:

1. Church planting and establishment
2. Purchasing and leasing of facilities
3. New location fit-outs
4. Purchasing of buildings, permits, compliance and administration facilitation
5. Building maintenance and facility upgrades

The Vision Team and Board will collaborate on the distribution of the Vision Offering so that we may see our church's vision come to fruition.

Why can't I provide my card details on the Commitment Card?

The physical Commitment Card previously allowed you to record your commitment's payment details. However, changes in data security standards now restrict the collection and use of your card information. To comply with these standards, we have removed the ability to record your card information on the Commitment Card. Instead, a QR code has been provided to direct you to a secure giving page.

How do I get more information about the Vision Offering?

We invite you to speak to your Location Pastor, contact the Enjoy Church office by calling +61 3 9240 6000, or by emailing front.desk@enjoy.church.
